

NOTICE TO ALL OWNERS

Communities that have not held the AGM in 2020

Dear Owner:

In view of the current crisis caused by COVID-19 and due to the problems we may face this year, 2020, holding the annual meetings of the Community of Owners, since we do not know when we will obtain government authorization to hold these meetings, which are attended by several people and in many cases from different countries and regions, we will send you through our online platform in a few days the following information:

- Settlement of accounts of the past year 2019
- Your personal statement with the Community

Also we inform you that the current budgets will be extended and therefore the fees of your community will remain the same as last year. The representatives elected at the last meeting (President, Vice-President, administrator, etc.) will continue their duties until a new meeting is held.

In view of this situation and the direct contact that we have with the President of your Community, I would ask you in case of any suggestion, urgent works of repairs and consultations, to contact your President directly or to contact us via e-mail: web20@donvillas.com

You can also visit our website for consultations and information of interest: www.donvillas.com and www.administracionesnerja.com

Our office hours also have been reduced, we are in our offices from 10.00 to 14.30 hours from Monday to Friday.

We attend you as well by phone: 952 52 31 93.

In case of emergency outside the office hours: 607 615 187 (Javi).
